### Bible Lessons from CHRIST

The Bible is the great lesson book for the students in our schools. It teaches the whole will of GOD concerning the sons and daughters of Adam. It is the rule of life, teaching us of the character that we must form for the future life. We need not the dim light of tradition to make the Scriptures comprehensible. As well might we suppose that the noonday sun needs the glimmering torchlight of earth to increase its glory. The utterances of priest and minister are not needed to save men from error. Those who consult the divine Oracle will have light. In the Bible every duty is made plain. Every lesson given is comprehensible. Every lesson reveals to us the FATHER and the SON. The word is able to make all wise unto salvation. In the word the science of salvation is plainly revealed. Search the Scriptures, for they are the voice of GOD speaking to the soul.
