Fremont Seventh-day Adventist Church * 225 Driscoll Road

But GOD will have a people who hold the Bible, and the Bible only, as the standard of all doctrines and the basis of all reforms. The opinions of educated men, the conclusions of science, the decisions of church councils, the voice of the majority—not one nor all these should demand a plain “Thus says the LORD.” Satan leads the people to look to pastors, to professors of theology, as their guides instead of searching the Scriptures for themselves. By controlling these leaders, he can influence most people.

When CHRIST came, the common people heard HIM gladly. But the chief priests and the nation’s leaders wrapped themselves in prejudice, rejecting the evidence that HE was the MESSIAH. “How is it,” the people asked, “that our rulers and enlightened scribes do not believe on JESUS?” Teachers like this led the Jewish nation to reject their REDEEMER.

CHRIST foresaw that people would exalt human authority to rule over the conscience. In all ages this had been a terrible curse. As an appeal to future generations, The Bible recorded His warnings to follow blind leaders.

Confess your faults one to another, and pray one for another, that you may be healed. The effectual fervent prayer of a righteous man avails much.

James 5:16

One of the best loved of the 600 hymns written by one of the greatest British hymn writers, Isaac Watts is entitled *When I Survey the Wondrous Cross*. Charles Wesley said of it that he would gladly exchange all the 6,500 hymns he had written for this one hymn by Isaac Watts.

Written in 1707, it was based on Galatians 6:14, "But GOD forbid that I should glory, save in the cross of our LORD JESUS CHRIST, by WHOM the world is crucified unto me, and I unto the world."
