## Winning Hearts and Minds to GOD

Let the workers stand alone in GOD, weeping, praying, laboring for the salvation of their fellow men. Remember that you are running a race, striving for a crown of immortality. While so many love the praise of men more than the favor of GOD, let it be yours to labor in humility. Learn to exercise faith in presenting your neighbors before the throne of grace and pleading with GOD to touch their hearts. In this way effectual missionary work may be done. Some may be reached who would not listen to a minister or a colporteur. And those who thus labor in new places will learn the best ways of approaching the people and can prepare the way for other laborers.

A precious experience may be gained by one who engages in this work. He has upon his heart the burden of the souls of his neighbors. He must have the help of JESUS. How careful he will be to walk circumspectly, that his prayers may not be hindered, that no cherished sin may separate him from GOD. While helping others, such a worker is himself obtaining spiritual strength and understanding, and in this humble school he may become qualified to enter a wider field.
