GOD's Truth Trumps Man's

Those who question the reliability of the Scripture records have let go their anchor and are left to beat about upon the rocks of infidelity. When they find themselves incapable of measuring the Creator and His works by their own imperfect knowledge of science, they question the existence of God and attribute infinite power to nature.

In true science there can be nothing contrary to the teaching of the word of God, for both have the same Author. A correct understanding of both will always prove them to be in harmony. Truth, whether in nature or in revelation, is harmonious with itself in all its manifestations. But the mind not enlightened by God's Spirit will ever be in darkness in regard to His power. This is why human ideas in regard to science so often contradict the teaching of God's word.

~ Welcome ~

We welcome each of you this morning and especially our visitors. We pray that you will know GOD's presence as you worship here with your Fremont Church Family, and hope that you experience HIS love as HE surrounds us with HIS Spirit.

Visitors or members, please fill out one of our Church Family Friendship Cards located in the pew so that we will know how we can best meet your needs. You can place it in the offering bag during the offering or give it to one of this mornings' Worship Team.

May GOD richly bless you as you worship with us today!
