GOD Reveals HIMSELF

Men of the greatest intellect cannot understand the mysteries of JEHOVAH as revealed in nature. Divine inspiration asks many questions which the most profound scholar cannot answer. These questions were not asked that we might answer them, but to call our attention to the deep mysteries of GOD and to teach us that our wisdom is limited; that in the surroundings of our daily life there are many things beyond the comprehension of finite minds; that the judgment and purposes of GOD are past finding out. His wisdom is unsearchable.

Skeptics refuse to believe in GOD because with their finite minds they cannot comprehend the infinite power by which HE reveals HIMSELF to men. But GOD is to be acknowledged more from what HE does not reveal of HIMSELF than from that which is open to our limited comprehension. Both in divine revelation and in nature, GOD has given to men mysteries to command their faith. This must be so. We may be ever searching, ever inquiring, ever learning, and yet there is an infinity beyond.

Visitors or members, please fill out one of our Church Family Friendship Cards located in the pew so that we will know how we can best meet your needs. You can place it in the offering bag during the offering or give it to one of this mornings' Worship Team.
