The Science of Christianity

There is a science of Christianity to be mastered,—a science as much deeper, broader, higher than any human science as the heavens are higher than the earth. The mind is to be disciplined, educated, trained; for we are to do service for God in ways that are not in harmony with inborn inclination. There are hereditary and cultivated tendencies to evil that must be overcome. Often the training and education of a lifetime must be discarded, that one may become a learner in the school of Christ. Our hearts must be educated to become steadfast in God. We are to form habits of thought that will enable us to resist temptation. We must learn to look upward. The principles of the word of God—principles that are as high as heaven, and that compass eternity—we are to understand in their bearing upon our daily life. Every act, every word, every thought, is to be in accord with these principles.

The precious graces of the Holy Spirit are not developed in a moment. Courage, fortitude, meekness, faith, unwavering trust in God's power to save, are acquired by the experience of years. By a life of holy endeavor and firm adherence to the right the children of God are to seal their destiny.

~ Welcome ~

We welcome each of you this morning and especially our visitors. We pray that you will know GOD's presence as you worship here with your Fremont Church Family, and hope that you experience HIS love as HE surrounds us with HIS Spirit.

Visitors or members, please fill out one of our Church Family Friendship Cards located in the pew so that we will know how we can best meet your needs. You can place it in the offering bag during the offering or give it to one of this mornings' Worship Team.

May GOD richly bless you as you worship with us today!
