## ~ Preparing to Meet JESUS ~

The gospel is a wonderful simplifier of life's problems. Its instruction, heeded, would make plain many a perplexity and save us from many an error. It teaches us to estimate things at their true value and to give the most effort to the things of greatest worth—the things that will endure. This lesson is needed by those upon whom rests the responsibility of selecting a home. They should not allow themselves to be diverted from the highest aim. Let them remember that the home on earth is to be a symbol of and a preparation for the home in heaven. Life is a training school, from which parents and children are to be graduated to the higher school in the mansions of GOD. As the location for a home is sought, let this purpose direct the choice. Be not controlled by the desire for wealth, the dictates of fashion, or the customs of society. Consider what will tend most to simplicity, purity, health, and real worth.

Ellen G. White, *The Ministry of Healing*, p. 363
