**Working for CHRIST**

Remember that you are working for time and for eternity. Heavenly angels are commissioned to co-operate with your efforts for the conquest of souls. More earnest efforts should be made to establish the truth in various localities. And there must be no covering up of any phase of our message. The truth for this time must be given to the souls ready to perish. Those who in any way hide the truth dishonor God. Upon their garments will be the blood of souls.
