**Focus of Our SAVIOR JESUS**

Christ might have opened to men the deepest truths of science. He might have unlocked mysteries that have required centuries of toil and study to penetrate. He might have made suggestions in scientific lines that would have afforded food for thought and stimulus for invention to the close of time. But He did not do this. He said nothing to gratify curiosity or to satisfy man’s ambitions by opening doors to worldly greatness. In all His teaching, Christ brought the minds of men in contact with the Infinite Mind. He did not direct the people to study men’s theories about God, His word, or His works. He taught them to behold God as manifested in His works, in His word, and by His providences.

Call to Worship Psalm 71:1-3

In thee, O LORD, do I put my trust: let me never be put to confusion. Deliver me in YOUR righteousness, and cause me to escape: incline YOUR ear to me, and save me.
