For God has not given us the spirit of fear; but of power, and of love, and of a sound mind.

2 Timothy 1:7

I write this that all may know that there is no controversy among Seventh-day Adventists over the question of leadership. The Lord God of heaven is our King. He is a leader whom we can safely follow, for He never makes a mistake. Let us honor God and His Son, through whom He communicates with the world.

God would work mightily for His people today if they would place themselves wholly under His guidance. They need the constant abiding of the Holy Spirit. If there were more prayer in the councils of those bearing responsibilities, more humbling of the heart before God, we should see abundant evidence of divine leadership, and our work would make rapid progress.
