There is a much greater work devolving upon the individual members of the church than they realize. They are not awake to the claims of God. The time has come when every means should be devised that can aid in preparing a people to stand in the day of God. We must be wide awake, refusing to let precious opportunities pass unimproved. We must do all that we possibly can to win souls to love God and keep His commandments. Jesus requires this of those who know the truth. Is His demand unreasonable? Have we not the life of Christ as our example? Do we not owe the Savior a debt of love, of earnest, selfless labor for the salvation of those for whom He gave His life?
