In the creation of man was manifest the agency of a personal God. When God had made man in His image, the human form was perfect in all its arrangements, but it was without life. Then a personal, self-existing God breathed into that form the breath of life, and man became a living, breathing, intelligent being. All parts of the human organism were put in action. The heart, the arteries, the veins, the tongue, the hands, the feet, the senses, the perceptions of the mind—all began their work, and all were placed under law. Man became a living soul. Through Jesus Christ a personal God created man and endowed him with intelligence and power.

Ellen G. White, Testimonies, Vol. VIII, p. 264

GOD Reveals Himself

In the beginning was the Word, and the Word was with God, and the Word was God. And the Word was made flesh, and dwelt among us, (and we beheld His glory, the glory as of the only begotten of the Father,) full of grace and truth.

John 1:1, 14
