## ~ Preparing to Meet JESUS ~

Philosophical speculation and scientific research in which GOD is not acknowledged are making skeptics of thousands of the youth. In the schools of today the conclusions that learned men have reached as the result of their scientific investigations are carefully taught and fully explained; while the impression is distinctly given that if these learned men are correct, the Bible cannot be. Skepticism is attractive to the human mind. The youth see in it an independence that captivates the imagination, and they are deceived. Satan triumphs; it is altogether as he meant it should be. He nourishes every seed of doubt that is sown in young hearts. He causes it to grow and bear fruit, and soon a plentiful harvest of infidelity is reaped.

Ellen G. White, *Testimonies, Vol. 9*, p. 305
